

Virtuo Group Capabilities Statement

Virtuo Group delivers IT solutions that return premium enterprise value from our customer's technology investments. The company's "adopt and go" methodology assures early and measurable success on complex projects and provides quality results that scale well and avoid late stage surprises to cost, schedule and capability commitments. Cyber Security Support Services, Systems Migration and Consolidation and Project/Program Management form the basis of the company's business portfolio. Virtuo Group Corporation is a Service-Disabled Veteran, Woman, and Minority Owned, Small Business with corporate headquarters located in The Woodlands, Texas and satellite offices in the DC metro area.
